Sir:

AMENDMENT

In reply to the Official Action dated July 31, 2002, please amend the application as follows:

IN THE CLAIMS:

Please amend claims 1 and 2 as follows:

1. (Amended Three Times) An apparatus for displaying registered information, comprising:
- means for capturing coded embedded glyph data from a substrate having first image information;
  - means for decoding the coded embedded glyph data to develop registration information;
  - means for retrieving from a storage location, second image information that corresponds to the registration information; and
